Juvenis Trading
Connecting Markets.
Securing Trade.
Creating Better Results.

Juvenis Trading is a dynamic international trading company focused on connecting trusted suppliers with global markets. We specialize in sourcing and exporting high-quality products from Iran and delivering reliable trading solutions tailored to the needs of our international clients.

Our commitment goes beyond supplying products. We carefully select reliable producers and partners, maintain strict quality standards, and ensure every transaction is handled with transparency, efficiency, and attention to detail.

From product sourcing and quality control to packaging, documentation, and international logistics, we provide tailored solutions designed to make global trade **simpler, safer, and more efficient**.

At Juvenis Trading, we believe in building long-term partnerships based on **trust, reliability, and mutual growth**. By connecting the potential of Iranian products with global market opportunities, we aim to create lasting value for our customers and partners worldwide.

Juvenis Trading — Connecting Markets. Securing Trade. Creating Better Results.

The Heritage of Iranian Pistachios

Iranian pistachios have a centuries-old history, with traditional orchards and pistachio trees that have been cultivated and passed down through generations. These resilient trees thrive in Iran's unique climate, producing pistachios known worldwide for their distinctive flavor, rich taste, and exceptional quality.

The combination of fertile soil, favorable climate conditions, and generations of agricultural expertise has established Iran as one of the world's leading pistachio-producing countries.

At **Juvenis Trading**, we bring this rich agricultural heritage to international markets by working with trusted producers and carefully selecting premium-quality pistachios. By combining traditional expertise with modern quality standards, we aim to deliver authentic Iranian pistachios that meet the expectations of customers worldwide.

AKBARI PISTACHIO

Akbari pistachio is one of the finest Iranian pistachio varieties, known for its **large size, elongated shape, rich flavor, and distinctive reddish-purple kernel**. Its elegant appearance and premium quality make it highly popular in international markets and ideal for **luxury packaging, gifting, and premium retail**.

Carefully sourced from selected Iranian orchards, Akbari pistachios offer **excellent taste, freshness, and consistent quality** in every shipment.

FANDOGHI PISTACHIO

Fandoghi pistachio is a popular Iranian variety, known for its **small, round shape, delicious flavor, and excellent value**. Its compact size and rich taste make it widely used in **snacks, confectionery, and food products**. Fandoghi is also a popular choice in international markets due to its **competitive price and versatile applications**.

KALLEH GHOOCHI PISTACHIO

Kalleh Ghoochi is a premium Iranian pistachio known for its **exceptionally large size, full kernel, and mild, slightly sweet flavor**. Its impressive appearance makes it a popular choice for **premium markets and luxury packaging**.

AHMAD AGHAEI PISTACHIO

Ahmad Aghaei is a premium Iranian pistachio known for its **large, elongated shape, reddish-purple kernel, and naturally sweet flavor**. Its distinctive appearance and excellent quality make it highly valued in **international markets and premium packaging**.

PISTACHIO KERNELS

Iranian pistachio kernels are valued worldwide for their **premium quality, rich flavor, and versatility**. Widely used in **confectionery, chocolate, ice cream, and food products**, they offer a convenient and high-quality ingredient for international markets.

Carefully selected and processed, Iranian pistachio kernels are an excellent choice for **global food manufacturers and exporters**.

PISTACHIO SLIVERS

Iranian pistachio slivers are made from **premium pistachio kernels**, carefully processed to preserve their rich flavor and attractive appearance. Widely used in **confectionery, ice cream, desserts, and premium food products**, they are valued in international markets for their quality and elegant presentation.

IRANIAN PISTACHIO POWDER

Iranian pistachio powder is valued for its **natural green color, rich flavor, and fine texture**. Carefully processed to preserve its authentic color and taste, it is widely used in **confectionery, desserts, ice cream, and premium food products**.

OUR COMPETITIVE ADVANTAGE

Our competitive advantage in global markets is built on **four key pillars** that enable us to deliver high-quality products, reliable services, and lasting value to our customers worldwide.

1

HIGH QUALITY
